Notice of Availability and Opportunity for a Public Hearing Notice of Intent to Adopt a Negative Declaration Interstate 10 Median Mixed-Flow Lane Widening Project In the City of Redlands

WHAT'S BEING PLANNED	The California Department of Transportation (Caltrans), in cooperation with the Federal Highway Administration (FHWA), proposes to widen a portion of Interstate 10 in the City of Redlands, San Bernardino County. The proposed project will add one mixed-flow lane in each direction from Orange Street (State Route 38) to the eastbound on-ramp at Ford Street (Postmile 30.8 to 33.3). The project also proposes construction of soundwalls at six locations along Interstate 10 and the widening of 11 bridges.
WHY THIS AD	Caltrans has studied the effects this project may have on the environment. Our studies indicate no significant effect on the environment will result from this project. The report detailing this finding is called an Initial Study/Environmental Assessment. This notice is to advise of the preparation of the Proposed Negative Declaration and Initial Study/Environmental Assessment and their availability for review, and to offer the opportunity for a public hearing.
WHAT'S AVAILABLE	The Proposed Negative Declaration and Initial Study/Environmental Assessment are available for review at the Caltrans District 8 Office, 464 W. Fourth Street, 8 th Floor, San Bernardino, CA 92401 on weekdays from 8:00AM to 4:00PM. The Proposed Negative Declaration and Initial Study/Environmental Assessment are also available for review at the City of Redlands Public Works Department, 35 Cajon Street, Redlands 92373 and the A.K. Smiley Library, 125 W. Vine Street, Redlands, 92373.
WHERE YOU COME IN	Do you have any comments about processing the project with a Negative Declaration and Initial Study/Environmental Assessment? Do you disagree with the findings of our studies as set forth in the Proposed Negative Declaration? Would you care to make any other comments on the project? Would you like a public hearing? Please mail your comments to Mr. Luke Stowe, California Department of Transportation, 464 W. Fourth Street, MS 823, San Bernardino, CA 92401-1400 or email them to luke_stowe@dot.ca.gov . Your comments or request for a public hearing should be received no later than June 16, 2004. If there are no major comments or requests for a public hearing, Caltrans will proceed with the project's design and request approval from FHWA.
CONTACT	For more information about this study, call Luke Stowe at Caltrans District 8 at (909) 388-1387. For information on any other transportation matter, call the Caltrans District 8 Public Affairs Office at (909) 383-4631.
